

Road Traffic Accident Form

Remember, get the details of the person you believe was at fault first. If they don't co-operate, get what you can and call the police. If more than 3 vehicles involved, use an extra form or write on the back of this one.

Name(s) of people involved	Car registration/make/model	Contact number & address	Check ID	Insurance Details	Description

Don't forget to take pictures of the accident. Include cars from close up and far away so you can see the road markings and layout.

Extra notes: (Name of road, details of ID check such as licence number and bank card name)

Witness Name(s)	Witness Contact Number	Witness Address

Remember: If you do have an inquiry, you may not receive the best possible offer for your claim going through your insurance.
